

## EMERALD CLUB

*is at your service.*

At National, we are committed to making your rental experience fast and easy. Wherever you rent with us, choosing your car and getting on the road is as convenient as can be.

**For Emerald Club members:** use the

Emerald Club Aisle. Besides letting you bypass the counter and choose from any vehicle by reserving an intermediate car,

the Emerald Club Aisle now has a selection of the newest intermediate vehicles on the lot. To guarantee a fullsize or higher car class, simply use Emerald Club Reserve Service.

**For Emerald Club Executive<sup>SM</sup> and Executive Elite members:** the Executive

Selection is a special area of the National lot for our most frequent renters. The Executive Selection will always offer fullsize or larger

vehicles. To use it, simply reserve a fullsize car, then bypass the counter, choose your vehicle and only pay an intermediate rate — guaranteed! You always receive at least a one car-class upgrade. Look for the Executive Selection signs on our lots or ask your Emerald Club greeter.

Enjoy the advantages of membership...

For reservations call

## EMERALD CLUB AISLE AND EXECUTIVE SELECTION

Just follow these simple steps  
to get to your car:

### 1. When you arrive at the airport:

From the terminal, bypass the rental counter and proceed directly to the shuttle bus area.

- Board one of the **National® shuttle buses**, and listen for the drop-off point announcement. Emerald Club® members using the Emerald Club Aisle<sup>SM</sup> or Executive Selection<sup>SM</sup> are first off the bus.

OR

- If the airport does not offer a National shuttle bus, board one of the **airport shuttle buses**, which will take you to the National lot. Then look for the Emerald Club Aisle or Emerald Club Executive Selection area as you enter.

OR

- If the National lot is adjacent to the airport, follow the signs to the Emerald Club Aisle or Emerald Club Executive Selection area.

### 2. When you arrive at the National lot:

Proceed directly to either the Emerald Club Aisle if you are an Emerald Club member, or the Emerald Club Executive Selection area if you are an *Executive* or *Executive Elite* member.

### 3. Choose your car.

Once you arrive at the Emerald Club Aisle or Executive Selection area, choose your preferred make and model. Your keys will be in the car.

### 4. Drive away.

Drive to the exit booth and present your credit card, driver's license and hangtag to the agent.

## SERVICES THAT KEEP YOU MOVING.

*Emerald Club serves the business traveler.*

National's commitment to the business renter has always been focused on making the car rental process as speedy, efficient and convenient as it can be. Emerald Club services deliver on that commitment from the moment you reserve your car to the moment you bring it back.

### Emerald Club Reserve Service — *Bypass the counter when you reserve any car class.*

Should you need to confirm a vehicle other than an intermediate (or fullsize for *Executive* level members), Emerald Club Reserve Service is available at more than 50 airport locations across the United States and Canada. When you arrive at the lot, bypass the counter and choose from the row of vehicles in the class you reserved. The shuttle bus at the lot will stop at Emerald Club Reserve vehicles after the Emerald Club Aisle and/or the Executive Selection. Visit [emeraldclub.com](http://emeraldclub.com) for a complete list of locations.

### Expedited Emerald Club Service — *Get on your way faster!*

At locations where the Emerald Club Aisle is not available, you'll find a special counter exclusively for Emerald Club members. Here, you'll receive priority service with your pre-printed Rental Agreement ready for you and be on the road in no time. Some locations feature a booth situated on the lot where Emerald Club members can simply show their driver's license and credit card and pick up the keys.

National features GM vehicles like this Pontiac Grand Prix.
